# What are we hoping to accomplish?

# Expanded SUD Treatment

Indiana Family and Social Services Administration  
Office of Medicaid Policy and Planning

# Expanded SUD Treatment

*Primary Goal: ensure coverage for the full continuum of SUD treatment*

- Expand coverage for **inpatient services** to IMD settings to primarily treat opioid use disorder or other SUD
- Create coverage for **residential services** (per diem payment)
- Expand coverage for **addiction recovery management services**
  - Increased utilization of peer recovery specialists/coaches

# Certification Standards

Indiana Family and Social Services Administration  
Office of Medicaid Policy and Planning

# Certification Standards

*Primary Goal: align Indiana's addiction providers with the American Society of Addiction Medicine (ASAM) standards of care*

- Create ASAM-level designation process for residential providers
- Expand Indiana Administrative Code (IAC) certification standards with ASAM

# Assessment Standards

Indiana Family and Social Services Administration  
Office of Medicaid Policy and Planning

# Assessment Standards

*Primary Goal: ensure that providers and Indiana Medicaid are using the same assessment tools to ensure the most appropriate level of care*

- Creating (or updating) a standard addiction assessment tool that incorporates all six dimensions of multidimensional assessment from ASAM
